LR 24, 28
LB 112, 271, 454, 456,
221, 274, 452, 453

Unfortunately, a resolution going back with substantive "no" votes is like not sending one back at all. So I think we made our best shot but I am not about to vote for seven million dollars or one hundred and fifty million dollars without knowledge of the issue.

PRESIDENT: Do you wish to close debate, Senator Rasmussen?

SENATOR RASMUSSEN: I certainly would appreciate any questions that Senator Lewis would have. I think that I can answer them quite adequately as far as acres, cost, ratio and so forth.

PRESIDENT: The question is the adoption of this resolution. Record your vote. Have you voted? Please vote. Have you all voted? Record.

CLERK: 26 ayes, 7 nays.

PRESIDENT: Senator Frank Lewis.

SENATOR F. LEWIS: Mr. Chairman, in returning the resolution, I wish it be noted the vote on the resolution as we send it back to the Congress.

CLERK: Mr. President, your committee on Judiciary to whom was referred LB 112 instructs me to report the same to the Legislature the recommendation it be advanced to General File; LB 271 General File as amended; LB 454 General File; LB 456 General File as amended; LB 221 Indefinitely postponed; LB 278 Indefinitely postponed; LB 452 and 453 Indefinitely postponed. Signed Senator Barnett, Chairman. Mr. President, we have a new resolution as follows: Legislative Resolution #28 introduced by Senator Stoney, Newell, Venditte, Brennan, Swigart, Chambers, Simon, Fitzgerald, Goodrich, Koch, Labeledz and Savage. Read (See page 830, Legislative Journal.) Mr. President, a motion on the desk. I move to suspend rule 4, section 6 and consider LR 28 today. Signed Senator Stoney.

SENATOR STONEY: Mr. President, members of the Legislature, I would appreciate your cooperation with this. It will take just a matter of seconds. As you know, the Omaha Burke High Bulldogs won the Class A Basketball Championship last Saturday evening. This high school happens to be in my legislative district. I have been invited to a pep rally tomorrow at the high school and I thought it would be nice from the standpoint of the legislative body if we showed our respect and congratulations to this group so I am asking that you help me in adopting this amendment so that I might hand carry it to the Bulldogs. Thank you.

PRESIDENT: Senator Luedtke.

SPEAKER LUEDTKE: Mr. President and members of the Legislature, as an alum of Lincoln High, I have to say that we congratulate the winners and say that we are in favor of this resolution, reluctantly, but we certainly have to, to the victors, we have to say congratulations and we will be back.

PRESIDENT: How about Senator Duis. Let's hear from Class B.

SENATOR DUIS: No, I just merely thought that if we are going to make up resolutions such as this and send them out
